SUMMARY

Product leader with 7+ years of experience building B2B and B2C SaaS and platform products. Proven track record in fast-paced startups designing and shipping user-centric tools that boost acquisition, retention, and operational efficiency. Deep expertise in end-to-end product development—from research and design to execution and optimization. Strong technical fluency with a B.S. in Computer Engineering, working knowledge of SQL, and agile product development expertise. Known for cross-functional leadership, stakeholder management, and an entrepreneurial mindset.

PROFESSIONAL EXPERIENCE

Senior Product Manager

July 2025 – Present

SpaceInch (*Dev Studio & Venture Builder*), **Remote, Tennessee, USA**

- Lead product strategy and digital transformation consulting for small and medium-sized businesses, helping them adopt AI and automation to scale operations and improve efficiency.
- Partner directly with the CEO and CTO to define company strategy, prioritize initiatives, and allocate resources across client and internal venture projects.
- Drive 0→1 product development for AI-driven ventures—taking ideas from concept to MVP through research, validation, and agile execution.

Senior Product Manager

July 2022 - July 2025

Rockspoon (*50-person Food Tech startup, all-in-one restaurant solution*), **Remote, Palo Alto, USA**

- Owned and evolved core Workflow features including payroll, scheduling, and tip distribution — cutting operational overhead by up to 90%.
- Collaborated with UX/UI designers using Figma and Zeplin, maintaining a strong User Experience (UX) focus across mobile and web platforms.
- Led user discovery and customer research to extract insights that informed roadmap prioritization and product strategy.
- Executed data-driven decision making by defining KPIs, analyzing product performance, and driving optimization through A/B testing.
- Drove integrations with Gusto, Deliverect, and Burq, improving operational workflows for B2B clients.
- Spearheaded Android app development and coordinated agile product development cycles from planning to QA.
- Partnered with Customer Success teams to support go-to-market coordination, successful feature launches, and user adoption.
- Leveraged AI tools to create personas, do product discovery and automate QA.

Product Lead

July 2020 - July 2022

Rappi, Remote, Bogotá, Colombia

- Designed automation and internal workflow tools that increased restaurant acquisition by 100% in 6 months.
- Built a Communication Hub for lifecycle marketing via in-app, email, and WhatsApp using Braze, driving user engagement.

- Conducted customer research & insights gathering to guide roadmap and optimize product growth.
- Managed full product lifecycle including roadmap creation, A/B testing, agile delivery, and stakeholder management across marketing and operations.
- Deployed CRM enhancements and custom workflows through Zoho, increasing sales team efficiency.

Program Manager, SMB (Longtail)

August 2019 - May 2020

UberEats, São Paulo, Brazil

- Reduced restaurant churn by 50% through data-driven analysis, A/B Testing improvements, and automations.
- Conducted multivariate testing and SQL-based lifecycle analysis to inform product decisions.
- Created frameworks for profitability and performance monitoring to support operational efficiency.
- Collaborated across departments, demonstrating strong cross-functional leadership and stakeholder management.

E-Commerce and Digital Product Manager

January 2018 - August 2019

AkzoNobel, São Paulo, Brazil

- Launched e-commerce and marketplace platforms, defining user flows, product strategy, and SEO-based growth loops.
- Coordinated go-to-market efforts with sales, marketing, and technical stakeholders to ensure adoption.
- Oversaw vendor teams and agile development of customer-facing tools including the Mestre Pintor sales app.

Project Manager

March 2017 - December 2017

AkzoNobel - Decorative Paints, São Paulo, Brazil

- Spearheaded Teste Facil paint roller launch, a high-stakes national rollout in Brazil, coordinating cross-functional teams (supply chain, marketing, sales) for a first-of-its-kind product.
- Secured buy-in from major retailers, negotiating shelf space and pitching benefits.
- Optimized end-to-end supply chain, filling, pickup and delivery, overcoming unique operational challenges.

Project Manager

July 2016 - February 2017

AkzoNobel - Salt Specialties, Amsterdam, Netherlands

- Redesigned German market distribution strategy, segmenting distributors by importance and tailoring service levels.
- Defined service level and unique perks for top distributors, strengthening key partnerships.
- Conducted competition analysis, shaping M&A strategy for Salt Specialties.

Project Manager

August 2015 - May 2016

AkzoNobel - Metal Coatings, Columbus, United States

- Digitized rebate process, enhancing scalability and cutting operational costs.
- Created profitability tracking process, boosting visibility into product margins.

Key Account Manager

3M, São Paulo, Brazil

January 2013 - July 2015

- Grew sales 200% in 2 years for Brazil's largest pharma accounts (e.g., Brasil Pharma, DPSP), leveraging data-driven portfolio optimization.
- Overdelivered sales targets for 2.5 years straight, earning Best Salesperson award within the company.

- Managed nationwide sales promoter team, boosting in-store placement for high-stakes accounts.

Marketing Trainee

3M, Campinas, Brazil

January 2012 - December 2012

- Enhanced tape factory productivity 20% through data analysis and process tweaks.
- Reorganized sales promoter team nationwide, cutting cost-per-sale by 10%.

Logistics Intern

Ambev, Paulínia, Brazil

January 2011 - December 2011

- Developed tools to streamline delivery operations, improving service levels.
- Resolved customer delivery issues, enhancing satisfaction through direct engagement.
- Created management meeting materials, elevating logistics decision-making.

ENTREPRENEURIAL EXPERIENCE

Founder

February 2020 - March 2022

Riotho Sushi (*Multi-brand dark kitchen delivery operation*), **Goiânia, Brazil**

- Founded and scaled a 4-brand dark kitchen to over 3,000 monthly orders with a lean team.
- Gained hands-on experience in managing logistics, finance, customer experience, and growth operations.
- This founder journey instilled deep empathy for small business pain points, which continues to guide my product thinking.
